

Maximize your results with new problem solving techniques and communication skills

Futureproof your business and develop your toolkit to deal with the challenges of a disrupted world

It's our pleasure to share with you these highly effective ways of reducing the noise, creating valuable thinking time, and focusing in on what matters.

Join us across 2 days at the **Greater Manchester of Chamber Commerce – 15th – 16th November 2022**

Be introduced to 'Time to Think', and see the power of working in a 'Thinking Environment'

This is a great method for improving connections between people, releasing new fresh ideas, and strengthening your team.

You will have the opportunity to observe, and practice having your own Thinking pair.

Learn about LSP which is a powerful tool to enhance innovation and business performance.

Senior Leaders - prepare for challenges ahead of time, and build your organisational resilience. These highly effective tools:

- release team capability and potential
- maximise results from precious meeting time
- enable you to pivot well in times of crises
